

STUDENT INTERNET USAGE POLICY

Rationale:

The internet provides students with unprecedented opportunities to obtain information, engage in discussion, and liaise with individuals, organisations and groups world-wide to increase skills, knowledge and abilities.

Aims:

- To improve student learning outcomes by increasing access to worldwide information.
- To develop skills in discriminate and appropriate internet usage and change in technology advancements.

Implementation:

- Our school actively supports access by students to the widest variety of information resources available, accompanied by the development of the skills necessary to filter, analyse, interpret and evaluate information encountered.
- All networks at our school will have DET filtered internet and email access.
- The school ICT SIT and administration team will liaise with staff and the technical support technician to manage all email access, maintain the school's web site, web filters, and all other issues related to internet access by students.
- The school undertakes to ensure that information published on the Internet by students or the school is of a high standard, and meets legal requirements and standards of general practice within the community in relation to copyright, safety, decency and privacy.
- All email accounts will be password protected and users will be responsible for clearing their mailboxes regularly.
- Guidelines on access rights will be defined for different user levels. Restricted access shall be available to guest users for specific purposes only.
- All students shall be responsible for notifying their teacher of any inappropriate material so that access can be blocked.
- All staff shall be responsible for notifying the Assistant Principal of any inappropriate material so that access can be blocked.
- Consequences of publishing, accessing or failing to notify the Assistant Principal of inappropriate material shall include the removal of access rights.
- Privacy of students, parents, staff and other users must be recognised and respected at all times. When identifying students, only the student's first name and last initial will be used.

Evaluation:

- This policy will be reviewed as part of the school's three-year review cycle.
