

STUDENT SPONSORSHIP POLICY

Rationale:

- Students at our school are periodically selected to represent the state of Victoria in national competitions, or represent Australia in pacific or international events. School Council seeks to recognise and support such outstanding achievement.

Aims:

- To recognise and support outstanding achievements by students by means of School Council sponsorship.

Implementation:

- Students who represent our school at Victorian or Australian events in any discipline (sport, arts, leadership etc) are ambassadors of our school and reflect positively on our reputation.
- Consequently, School Council seeks to recognise and support these students in their endeavours.
- Parents of all students who represent our school at Victorian level or above will be offered sponsorship of up to \$150 for Victorian representation or up to \$350 for Australian representation to assist with travel or accommodation expenses etc. The amounts will be at the discretion of the Principal.
- Parents can accept or decline the offer at their discretion.
- The financial assistance is not conditional upon performance, but it is expected that all students who represent the school at any event will conduct themselves appropriately at all times.

Evaluation:

This policy will be reviewed as part of the school's three-year review cycle.

This policy was last ratified by School Council: March 2018
